CHAIRMAN'S WELCOME

Dear Guest.

Welcome to season 2008 / 2009 and the 13th for West Tynedale Junior Rugby Club.

Rugby Union has captivated the minds of both children, and adults, with the success of our England International team. The 2007 squad has of course included no less than four local heroes from Newcastle Falcons. Jonny Wilkinson, Toby Flood, Mathew Tait and Jamie Noon assisting a formidable line up as backs. As a club we should develop, and focus, our children's energy, and enthusiasm for rugby towards the future and benefit of our local, national and international squads. Our youngsters are our sporting future, not just boys, girls also have their place.

This is my first season as club chairman, I am looking forward to the coming year. Rugby is a sport for everyone to enjoy at all levels. Children of any ability, both boys and girls are welcome to join and develop their skills. Above all have fun taking part. Having an interest or, even just curiosity is enough to get started.

Last season saw our membership grow once more, which I believe is an enormous tribute to all the hard work put into our club at every level of involvement, from coaching, to organising, to catering, and parents bringing their children here every week. No one is left out! We are a team. Our club relies heavily on your continued support and good will.

Finally, to you our many sponsors, an enormous thank you from myself and West Tynedale Junior Rugby Club. The continued success of our club would not be possible without your incredible loyalty and support.

Enjoy the season

Colin Stewart

CODE OF CONDUCT

An important message for all Players, Coaches and Parents - Please read these guidelines and remind everyone of their importance.

Players

A good player is a self-disciplined person - stay in control of yourself always. Accept the referee's decision and never argue with him.

Work hard on your own game and learn to co-operate with other members of your team.

Respect the opposition and applaud them warmly and genuinely.

Play for the fun of competing - not just to please others.

Coaches

Children join rugby clubs to play, but they must also be taught the skills of the game to play well. Now, more than ever their education is in your hands. Be prepared to attend Coaching Award courses.

Remember that the laws of the game mean less, than a long established accepted spirit in which the game is played and supported.

Use gentle progressions to ensure safety.

Remember that without a referee you cannot have a game, so make him welcome and respect his decisions.

Condemn any sort of violence or practice against the laws.

Be positive! Don't criticise. Encourage from the touchline, but don't resort to harassment or unseemly language.

Please always take the view that the game is played for enjoyment.

Encourage the youngsters to enjoy it themselves by positive coaching and well-planned sessions and when competing to **WIN WITH MODESTY AND LOSE WITH DIGNITY**.

Parents

Accept the referee's decision - without him you cannot have a game.

Any form of violence or practice against the laws is not to be encouraged, especially by shouts from the touchline.

Applaud ALL good play - not just your own teams.

Respect the opposition and all authority figures.

Remember that youngsters are not there primarily to entertain you or to meet your expectations.

Be positive! Give encouragement not criticism.

Please remember the game is played for enjoyment. Encourage the children to enjoy themselves, to win with modesty and lose with dignity.

Never use unseemly language.

SPONSORS

We are again fortunate to have the continued backing of **The Smith Charitable Trust** of Haltwhistle, **Langley Castle** and **Sound Intention Ltd**. Other contributions and assistance comes from **Northumberland RFU**.

SOCIAL EVENTS

We will be arranging different social events through the year for both players and parents. Once arranged we will advise you in plenty of time by giving the kids a note home and it will be advertised on our website.

Christmas Party (date TBA) at Langley Castle.

A great party for everyone, players friends and family. There is no training for players so that they can save their energy for games in the evening.

There will be various trips to the Falcons throughout the season. Some of these will include organised trips to other exciting sports on Tyneside!!

End of Season Fun Day.

We will have games and refreshments for all, it's a great chance for the parents to show the players just how not to play tag rugby.

Arrangements are still to be finalised for a Club Spring Event.

If any one has new ideas we are always open to suggestions.
